

Make your payroll hassle free

Our experts do the hard work for you.

Staying compliant can be difficult

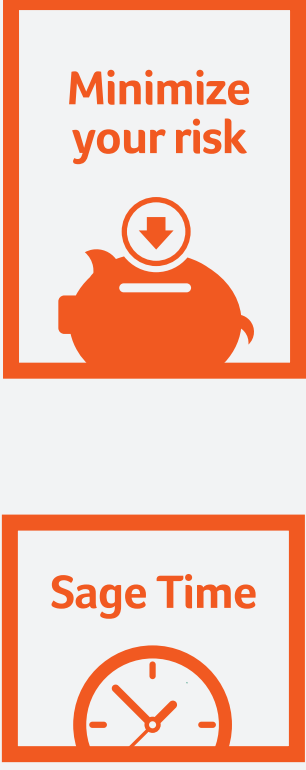

Mistakes can cost you money

*IRS post-abatement totals

Leverage our expertise to help eliminate costly errors

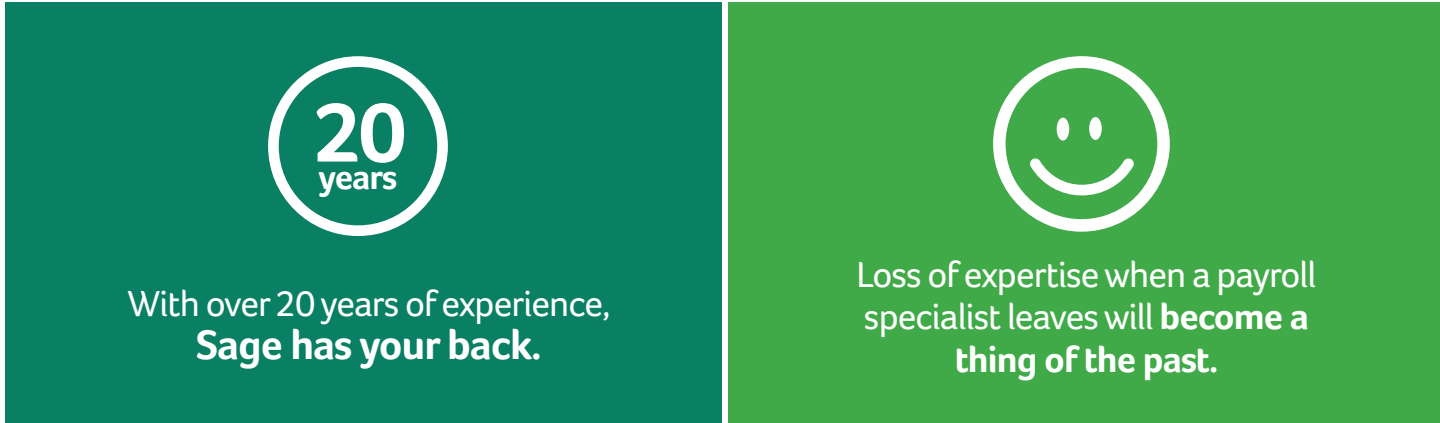

- Sage Payroll Full Service experts file on your behalf—and we stand by our work.
 - If you incur a fine or penalty and it's our error, the payment comes out of our pocket.^{**}
 - Our certified payroll experts have an average 10 Years of experience.^{***}
- **The error-free tax filing service guarantee includes payment of any fine or penalty directly resulting from any error by Sage.
***Sage does not render legal, tax, accounting or investment advice in providing its services. Customers should seek such advice from an appropriate legal, tax, accounting or finance professional.

When you integrate Sage Time with our payroll solutions you get efficiently automated labor processes.

You can also **save** an average of **1% to 7% of your total labor costs!**⁶

Rest easy because we're always here

Take back valuable time

"Your customer service is outstanding. I tell everyone how happy we are with your services. Thank you for all you do!"

Danielle Loupee
Michiana Home Services, South Bend, IN

Enjoy unlimited customer service

One of the highest Net Promoter Scores in the industry for customer satisfaction

{ 65 NPS }

We've barely scratched the surface of this solution's time and effort saving capabilities. **We'd love to show you** all its features and how they can empower your HR and payroll departments.
