

What do Dollar Shave Club,*
Birchbox,* and Salesforce.com
have in common with Sage 100c?

All are delivering customer value with

**Customized
subscription
bundles**

Why have subscription bundles increased
nearly 3,000% in 3 years?

Bundled subscriptions
deliver incremental
value for the cost.

Customized options
allow you to pick the
best fit for your needs.

It's a low-risk way for
you to sample and
test new tools.

How can Sage
customers
benefit
from
Sage
100c?

1

With included connected services like inventory advisor,
business intelligence, Crystal Reports, CRM, and more

2

By experiencing a host of changes that leverage
the efficiencies of visual processing

3

Through customized choices: get the tools and services
best suited to the needs of your business

Visit www.thebestsage100yet.com to find the Sage 100c package that's best for you.

*Birchbox and Dollar Shave Club are the two most popular subscription box services in the U.S. Source: Hitwise Consumer Insights Report, Jan. 2016
